Use of Apostrophe '

- The Apostrophe is used to indicate the omission of a letter or letters to form Contractions or shortened words.

Examples- don't, it's, let's

These words have been formed by omitting letters from two words and using an apostrophe to join them.

- The apostrophe is also used to form the possessives of singular and plural nouns.

Examples:

Singular possessive nouns-

The lady's bag, Mohan's book

Plural possessive nouns-

Children's store, girls' school
