Contractions

Contractions

- A contraction is one word that is made by putting together two separate words and shortening them.

Contractions Know How

- There are about 70 contractions in the English language.
- Most contraction are made by leaving out **two** letters like the word she will (she'll).
- Some contractions are missing **only one** letter.
- Words are squeezed together.

Contractions with I and am

- Whenever there is a contraction with I, I **must be capitalized**.
- You will only use **am** with I in a contraction. Replace the **a** with an apostrophe. Squeeze the words together.

I + **a**m = I'm

Contractions with is

- If **is** is part of the two words that make up the contraction, you will leave out the **i** and replace with an apostrophe.
Squeeze the words together.
- she + **is** = she's
- he + **is** = he's
- it + **is** = it's
- that + **is** = that's

Contractions with are

- If **are** is part of the two words that make up the contraction, you will leave out the **a** and replace with an apostrophe. Squeeze the words together.

they + **are** = they're

we + **are** = we're

you + **are** = you're

Contractions with will

- If **will** is part of the two words that make up the contraction, you will leave out the **w** and **i** and replace with an apostrophe. Squeeze the words together.

she + **will** = she'll

I + **will** = I'll

they + **will** = they'll

we + **will** = we'll

he + **will** = he'll

you + **will** = you'll

it + **will** = it'll

Contractions with not

- If **not** is part of the two words that make up the contraction, you will leave out the **o** and replace with an apostrophe. Squeeze the words together.

have + **not** = haven't

is + **not** = isn't

had + **not** = hadn't

could + **not** = couldn't

should + **not** = shouldn't

can + **not** = can't (leave out one of the n's)

will+ **not** = won't (**not willn't!!!!!!!!!!!!**)

does + **not** = doesn't

do + **not** = don't

must + **not** = mustn't

would + **not** = wouldn't

Contractions with have

- If **have** is part of the two words that make up the contraction, you will leave out the **ha** and replace with an apostrophe. Squeeze the words together.

I + **have** = I've

they + **have** = they've

we + **have** = we've

you + **have** = you've

Contractions with had

- If **had** is part of the two words that make up the contraction, you will leave out the **ha** and replace with an apostrophe. Squeeze the words together.

I + **had** = I'd

they + **had** = they'd

we + **had** = we'd

you + **had** = you'd

Contractions with has

- If **has** is part of the two words that make up the contraction, you will leave out the **ha** and replace with an apostrophe. Squeeze the words together. This one is tricky because you can use **is** too!
- she + **has** = she's
- he + **has** = he's
- it + **has** = it's
- that + **has** = that's
